

# Stainless Steel Gravity Waterer

LEXINGTON  
ROAD 

**Stainless Steel Gravity Waterer encourages your pet's water intake while discouraging bacteria growth.**

- Lexington Road knows your pet's hydration is key to overall health. Our beautiful stainless-steel gravity waterer encourages healthy hydration with an impressive 3.5L reservoir.
- The stainless-steel base can be put into the dishwasher for easy cleaning and sanitizing.
- Non-skid feet on the bottom of the base to avoid the waterer from sliding on floors.
- Stainless-steel base avoids bacteria growth to keep your pet's water, nose and mouth healthy.
